Release

In consideration of the acceptance of my application for membership in the Friends of the Trail (FOT), I hereby agree to make the following contractual representations and agreements. I fully realize the dangers of participation in the sport of bicycling, bicycle rides, and bicycle related functions, and fully assume the risks associated with such participation, including, but not limited to the following: the danger of collision with pedestrians, other vehicles including automobiles and trucks, and other riders, the danger associated with equipment failure, inadequate safety equipment, the dangers associated with weather conditions, and the possibility of serious physical and/or mental injuries associated with participation in said bicycling activities. I hereby waive, release and discharge for myself, my heirs, executors, assigns, and successors in interest (hereafter, collectively "successors") any and all rights and claims which I have, or which may hereafter accrue to me, against the FOT or any officer or member thereof for any damages which may be sustained by me directly or indirectly in connection with or arising out of my participation in or association with activities sponsored by the FOT or any officer or member thereof. I agree for myself and successors that the above representations are contractually binding, and are not mere recitals, and that should I or my successors assert any claim in connection with this agreement, I or my successors shall be liable for the expenses including attorney fee incurred by the FOT or any officer or member thereof unless the FOT or any officer or member thereof is finally adjudged liable on such claim for willful and wanton negligence. This agreement may not be modified orally, and a waiver of any provision herein or as consent to any other provision herein or as consent to any subsequent waiver or modification.
